"It's amazing to see how fast devs go from 0 to Blog under a domain they own on Hashnode 🤖. It reminds me a lot of what Substack did for journalists."

Guillermo Rauch  
CEO Vercel

5 Tips For Writing Cleaner Code

Hello everyone, in the past I have been guilty of writing code that was not so clean, and I'm sure I am not alone here. Over the years I have learnt from my mistakes and I thought I'd share with you s...

Are you ready to publish?  
Check the article settings and read Hashnode's [Code of Conduct](#) before publishing

**Story Stats**  
Word count: 9 words  
Paragraphs: 1 paragraph  
Read time: 1 minute

**Select a blog**  
☒ Publish this article on the following blog  
blog.cloudnloud.com

**Post slug**  
/type-your-tittle

**Select tags**  
Start typing to search...

**Generate table of contents?**  
☐ Yes

**Custom OG Image**

type your tittle

Set Cover Add Subtitle

Write Preview Guide

H B I

type the information with image with urls in detailed

Type tag

#### 4 Approve the blog with aarthi/vijay/shuruthi

Inform to aarthi/shuruthi/vijay and get it approved.

Then take that url

For example - <https://blog.cloudnloud.com/resize-an-azure-vm>

Publish in your linkedin post as per the format.

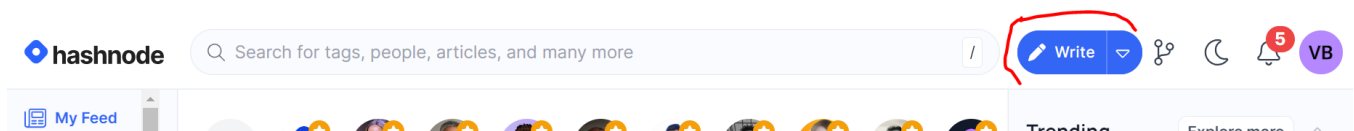

## 5 How to format blog with good ?

### 5.1 Create article ?

Login your hashnode .com

Click write option in right side top area

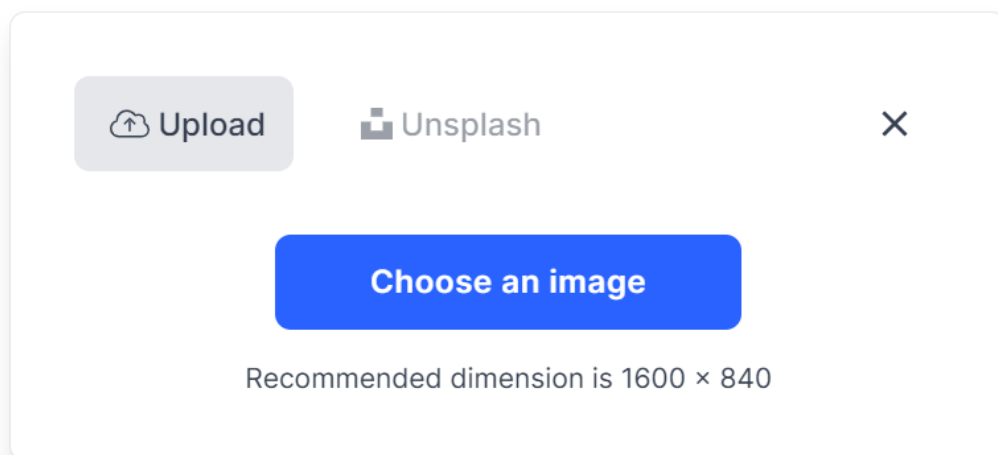

### 5.2 How to create hashnode cover poster ?

You need to create custom image with 1600\*840 pixels [ use canva to create it]

If you don't know how to use canva ask aarthi or shruthi or vijayabalan for training.

 Set Cover  Add Subtitle

### 5.3 How to enter good title ?

Always give some good title

### 5.4 How to add some short notes ,important points with bold with some special attention formats ?

hashnode

Save post

 Set Cover  Add Subtitle

testing

 Write  Preview  Guide

H B I      

> hi how are you

Now click preview and see how looks like ?

hashnode

Save post

 Set Cover  Add Subtitle

testing

 Write  Preview  Guide

hi how are you

Then bold means select the letter and click **"B" icon**

If you write like below

hashnode

Saved Share Draft ... Publish

Set Cover Add Subtitle

Title...

Write Preview Guide
